

# Aspergillus Antibodies, Immunodiffusion

Test ID: 20341

CPT: 86606 (x3)

## Clinical Significance:

## Profile Components:

Aspergillus flavus, Aspergillus fumigatus, Aspergillus niger

# Labtech Diagnostics

### Container:

Transport tube

### Transport Temperature:

Room Temperature

### Specimen:

1 mL Serum

### Specimen Stability:

Room temperature: 7 days  
Refrigerated: 14 days  
Frozen: 30 days

### Reject Criteria:

### Days Performed:

Thu

## Collection Instructions:
